

WISDOM

**HARD HAT
TECHNICAL DATA SHEET**

Helipad

Hard Hat with Front and Rear Holders

ANSI/ISEA Z89.1-2014 (R2019) Approved Type I Class E

CSA Z94.1-15 (R2024) Approved Type 1 Class E

EN 397:2012+A1:2012 Approved

AS/NZS 1801:2024 Approved Type 1

GB 2811-2019 Approved T Z JE

SABER Approved

Specifications

Length 12.40" (315 mm) * Width 10.63" (270 mm) * Depth 5.98" (152 mm)

0.92 lbs (420 g)

HDPE material

Features

Dielectric protection up to 20,000 volts

Tolerance of torture and impact

Streamlined curved shell surface reducing aerodynamic drag

Full brim preventing face from falling water, dust and sunlight

H-shaped ribs at the apex of shell reinforcing impact-resistant performance

Built-in front holder for headlamp and rear holder for personal safety strobe light or cable

8-point suspension enhancing comfortable fit and security

Adjustable pin-lock headband ranging 53- 64 CM 6 5/8 – 8

Side-slots enabling accessories mounting
